

**DECLARATION OF EMERGENCY****Department of Environmental Quality  
Office of the Secretary****Expedited Penalty Agreement  
(LAC 33:I.801, 803, 805, and 807) (OS054E9)**

In accordance with the emergency provisions of R.S. 49:953(B) of the Administrative Procedure Act, which allow the Department of Environmental Quality to use emergency procedures to establish rules, and of R.S. 30:2011 and 2074, which allow the department to establish standards, guidelines, and criteria, to promulgate rules and regulations, and to issue compliance schedules, the secretary of the department hereby declares that an emergency action is necessary in order to implement expedited penalty agreements.

Emergency Rule OS054E8, which was effective on March 10, 2006, and published in the *Louisiana Register* on March 20, 2006, is hereby rescinded and is being reissued with additional amendments. This Emergency Rule, OS054E9, retains the amendments made in OS054E8 and adds amendments to clarify the issuance date of the Expedited Penalty Agreement and to change the extension time to allow greater flexibility in working with the respondents. The Emergency Rule will abate the delay in correcting minor and moderate violations of the Environmental Quality Act. Delays in enforcement reduce the effectiveness of the action, unnecessarily utilize resources, and slow down the enforcement process. In the past three years alone, the Enforcement Division has received 8,139 referrals and has issued 4,259 actions. Currently strained budget and resource issues pose imminent impairment to addressing minor and moderate violations. This Rule will provide an alternative penalty assessment mechanism that the department may utilize, at its discretion, to expedite penalty agreements in appropriate cases. The report to the Governor by the Advisory Task Force on Funding and Efficiency of the Louisiana Department of Environmental Quality recommended this action as a pilot program. The legislature approved the report and passed Act 1196 in the 2003 Regular Session allowing the department to promulgate rules for the program. This Emergency Rule allows the operation of the pilot program to commence immediately, without the delay and inflexibility of a permanent rule. It will also allow the department to gather information to formulate a long-term rule and to evaluate the environmental and public health benefits and the social and economic costs of such a program in order to justify these requirements for the permanent rule.

This Emergency Rule is effective on March 20, 2006, and shall remain in effect for a maximum of 120 days or until a final rule is promulgated, whichever occurs first. For more information concerning OS054E9 you may contact the Regulation Development Section at (225) 219-3550.

This Emergency Rule is available on the Internet at [www.deq.louisiana.gov](http://www.deq.louisiana.gov) under Rules and Regulations, and is available for inspection at the following DEQ office locations from 8 a.m. until 4:30 p.m.: 602 N. Fifth Street, Baton Rouge, LA 70802; 1823 Highway 546, West Monroe, LA 71292; State Office Building, 1525 Fairfield Avenue, Shreveport, LA 71101; 1301 Gadwall Street, Lake Charles, LA 70615; 111 New Center Drive, Lafayette, LA 70508; 110 Barataria Street, Lockport, LA 70374; 645 N. Lotus Drive, Suite C, Mandeville, LA 70471.

Adopted this 20th day of March, 2006.

Mike D. McDaniel, Ph.D.  
Secretary

*Expedited Penalty Agreement*—a predetermined penalty assessment issued by the department and agreed to by the respondent, which identifies violations of minor or moderate gravity as determined by LAC 33:I.705, caused or allowed by the respondent and occurring on specified dates, in accordance with R.S. 30:2025(D).

*LPDES General Permit*—for the purposes of this Chapter, any Louisiana Pollutant Discharge Elimination System Permit in the LAG530000, LAG540000, LAG750000, LAR050000, or LAR100000 series.

**AUTHORITY NOTE:** Promulgated in accordance with R.S. 30:2001 et seq., and in particular R.S. 30:2025(D).

**§803. Purpose**

- A. The purpose of this Chapter is to provide an alternative penalty assessment mechanism that the department may utilize, at its discretion, to expedite penalty assessments in appropriate cases. This Chapter:
1. addresses common violations of minor or moderate gravity;
  2. quantifies and assesses penalty amounts for common violations in a consistent, fair, and equitable manner;
  3. ensures that the penalty amounts are appropriate, in consideration of the nine factors listed in R.S. 30:2025(E)(3)(a);
  4. eliminates economic incentives for noncompliance for common minor and/or moderate violations; and
  5. ensures expeditious compliance with environmental regulations.

**AUTHORITY NOTE:** Promulgated in accordance with R.S. 30:2001 et seq., and in particular R.S. 30:2025(D).

**HISTORICAL NOTE:** Promulgated by the Department of Environmental Quality, Office of the Secretary, Legal Affairs Division, LR 32:\*\*.

**§805. Applicability**

A. **Limit of Penalty Amount.** The total penalty assessed for the expedited penalty agreement shall not exceed \$1,500 for one violation or \$3,000 for two or more violations per penalty assessed.

B. **Departmental Discretion.** The secretary of the department or his designee, at his sole discretion, may propose an expedited penalty agreement for any violation described in LAC 33:I.807.A and considered in accordance with Subsection E of this Section. The expedited penalty agreement shall specify

that the respondent waives any right to an adjudicatory hearing or judicial review regarding violations identified in the signed expedited penalty agreement. The respondent must concur with and sign the expedited penalty agreement in order to be governed by this Chapter and R.S. 30:2025(D).

C. Notification to the Respondent. The expedited penalty agreement shall serve as notification to the respondent of the assessed penalty amount for the violations identified on the specified dates.

D. Certification by the Respondent. By signing the expedited penalty agreement, the respondent certifies that all cited violations in the expedited penalty agreement have been or will be corrected, and that the assessed penalty amount has been or will be paid, within 30 days of receipt of the expedited penalty agreement.

E. Nine Factors for Consideration. An expedited penalty agreement may be used only when the following criteria for the nine factors for consideration are satisfied.

1. The History of Previous Violations or Repeated Noncompliance. The violation identified in the expedited penalty agreement is not the same as or similar to a violation that occurred within the previous two years at the facility under the same agency interest number, and that was identified in any compliance order, penalty assessment, settlement agreement, or expedited penalty agreement issued to the respondent by the department. Site-specific enforcement history considerations will only apply to expedited penalty agreements.

2. The Nature and Gravity of the Violation. The violation identified is considered to be minor or moderate with regard to its nature and gravity.

a. The violation identified in the expedited penalty agreement deviates somewhat from the requirements of statutes, regulations, or permit; however, the violation exhibits at least substantial implementation of the requirements.

b. The violation identified is isolated in occurrence and limited in duration.

c. The violation is easily identifiable and corrected.

d. The respondent concurs with the violation identified and agrees to correct the violation identified and any damages caused or allowed by the identified violation within 30 days of receipt of the expedited penalty agreement.

3. The Gross Revenues Generated by the Respondent. By signing the expedited penalty agreement, the respondent agrees that sufficient gross revenues exist to pay the assessed penalty and correct the violation identified in the expedited penalty agreement within 30 days of receipt of the expedited penalty agreement.

4. The Degree of Culpability, Recalcitrance, Defiance, or Indifference to Regulations or Orders. The respondent is culpable for the violation identified, but has not shown recalcitrance, defiance, or extreme indifference to regulations or orders. Willingness to sign an expedited penalty agreement and correct the identified violation within the specified timeframe demonstrates respect for the regulations and a willingness to comply.

5. The Monetary Benefits Realized Through Noncompliance. The respondent's monetary benefit from noncompliance for the violation identified shall be considered. The intent of these regulations is to eliminate economic incentives for noncompliance.

6. The Degree of Risk to Human Health or Property Caused by the Violation. The violation identified does not present actual harm or substantial risk of harm to the environment or public health. The violation identified is isolated in occurrence or administrative in nature, and the violation identified has no measurable detrimental effect on the environment or public health.

7. Whether the Noncompliance or Violation and the Surrounding Circumstances Were Immediately Reported to the Department and Whether the Violation or Noncompliance Was Concealed or There Was an Attempt to Conceal by the Person Charged. Depending upon the type of violation, failure to report may or may not be applicable to this factor. If the respondent concealed or attempted to conceal any violation, the violation shall not qualify for consideration under these regulations.

8. Whether the Person Charged Has Failed to Mitigate or to Make a Reasonable Attempt to Mitigate the Damages Caused by the Noncompliance or Violation. By signing the expedited penalty agreement, the respondent states that the violation identified and the resulting damages, if any, have been or will be corrected. Violations considered for expedited penalty agreements are, by nature, easily identified and corrected. Damages caused by any violation identified are expected to be nonexistent or minimal.

9. The Costs of Bringing and Prosecuting an Enforcement Action, Such as Staff Time, Equipment Use, Hearing Records, and Expert Assistance. Enforcement costs for the expedited penalty agreement are considered minimal. Enforcement costs for individual violations are covered with the penalty amount set forth for each violation in LAC 33:I.807.

F. Schedule. The respondent must return the signed expedited penalty agreement and payment for the assessed amount to the department within 30 days of the respondent's receipt of the expedited penalty agreement. If the department has not received the signed expedited penalty agreement and payment for the assessed amount by the close of business on the thirtieth day after the respondent's receipt of the expedited penalty agreement, the expedited penalty agreement may be withdrawn at the department's discretion.

G. Extensions. If the department determines that compliance with the cited violation is technically infeasible or impracticable within the initial 30-day period for compliance, the department, at its discretion, may grant ~~one 30-day extension~~ additional time in order for the respondent to correct the violation cited in the expedited penalty agreement.

H. Additional Rights of the Department

1. If the respondent signs the expedited penalty agreement, but fails to correct the violation identified, pay the assessed amount, or correct any damages caused or allowed by the cited violation within the specified timeframe, the department may issue additional enforcement actions including, but not limited to, a civil penalty assessment and may take any other action authorized by law to enforce the terms of the expedited penalty agreement.

2. If the respondent does not agree to and sign the expedited penalty agreement, the department ~~may notify~~ shall consider the respondent notified that a formal civil penalty is under consideration. The department may then pursue formal enforcement action against the respondent in accordance with R.S. 30:2025(C), 2025(E), 2050.2, and 2050.3.

I. Required Documentation. The department shall not propose any expedited penalty agreement without an affidavit, inspection report, or other documentation to establish that the respondent has caused or allowed the violation to occur on the specified dates.

J. Evidentiary Requirements. Any expedited penalty agreement issued by the department shall notify the respondent of the evidence used to establish that the respondent has caused or allowed the violation to occur on the specified dates.

K. Public Enforcement List. The signed expedited penalty agreement is a final enforcement action of the department and shall be included on the public list of enforcement actions referenced in R.S. 30:2050.1(B)(1).

L. Date of Issuance. When an expedited penalty agreement is issued in conjunction with a Notice of Potential Penalty, the ~~following issuance dates shall apply~~ issuance date shall be the date on the document of initial signature by the administrative authority.

~~1. If the respondent does not wish to participate in the expedited penalty agreement program, the issuance date for the Notice of Potential Penalty portion of the document shall be 30 days after the respondent receives the document.~~

~~2. If the respondent does wish to participate in the expedited penalty agreement program, the issuance date for the expedited penalty agreement portion of the document shall be the date the administrative authority signs the document for the second, and final, time.~~

AUTHORITY NOTE: Promulgated in accordance with R.S. 30:2001 et seq., and in particular R.S. 30:2025(D).
